# Our Fleet

Perennial Freight has a modern fleet of over 700 trailers and 150 trucks which are working throughout Ireland, UK and Europe each day. The Perennial Freight fleet is of the highest standard and capable of carrying the most sensitive of products. We can load very high loads in our trailers and because we operate tri axle tractor units. We can load up to 28t payload.

## Curtainsiders

Ideal for offloading all types of goods through the side or via the trailers back door.
